

Supports for Elementary Students Learning at Home

The following Edmonton Public Schools and Alberta Education resources are available FREE OF COST for parents. Check SchoolZone for resource updates as you support your child's learning at home.

EPSB TOGETHER A LITERACY & NUMERACY APP FOR FAMILIES

EPSB Together Literacy & Numeracy App

EPSB Together is a FREE literacy and numeracy app for families with K - 12 students. It has activities for parents and guardians to support learning in regular, French Immersion and bilingual programs.

There are three ways to access this app:

- www.epsbtogether.ca
- The App Store
- Google Play

Anytime Help, Anywhere (AHA)

The first sets of the [Anytime Help Anywhere \(AHA\) videos](#) are now available for some core subject areas—math, English language arts, social studies and science!

AHA is a family and student resource and is available for parents and guardians to access through SchoolZone.

These videos focus on concepts that are key to success in junior high, although the material may also help students from Grades 4–12.

Reading Changes Lives

[Reading changes lives - presentation for parents](#) - Information for you as you think about how you can support your K - 12 child's reading at home.

[Reading Changes Lives Bookmark](#) - Questions to ask your child before, during and after their reading

[Reading Changes Lives Home Reading Postcards](#) - Keep track of your child's reading

Online Reference Centre

This webpage provides several websites and resources that can support student work from home. The resources are organized alphabetically, have a brief description and are labelled by grade level. This site is available at learnalberta.ca/Onlinereferencecentre

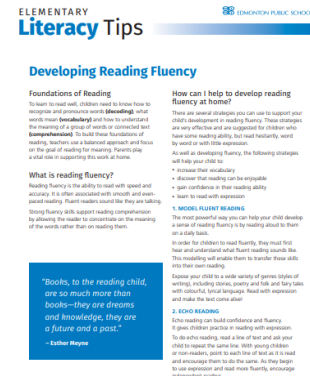

Literacy Tip Sheets for Parents

To help strengthen their ability to be a great coach and mentor at home, we've created a series of literacy tip sheets for parents of elementary students.

For Parents of Students in Elementary

- [The ABCs of Literacy for Parents](#)
- [Developing Reading Fluency](#)
- [Helping Your Child Choose Books](#)
- [Reading for Meaning](#)
- [Developing Phonics Skills](#)
- [Reading Aloud](#)
- [When Your Child Reads to You](#)
- [Learning to Spell](#)
- [The Role of Writing in Literacy](#)
- [Summer Reading](#)

Numeracy Tip Sheets for Parents

To help strengthen their ability to be a great coach and mentor at home, we've created a series of [numeracy tip sheets](#) for parents of elementary students. There are a variety of tip sheets topics, such as visualization, communication, problem solving and reasoning.

My Child's Learning: A Parent Resource

This site will provide parents with a better understanding of Alberta's curriculum and related information for your child. This tool can help parents discover what their child is learning, how they're assessed and what resources are available to help them be successful.

The site also offers Grade at a Glance documents for K-9.

- [Kindergarten at a Glance](#)
- [Grade 1 at a Glance](#)
- [Grade 2 at a Glance](#)
- [Grade 3 at a Glance](#)
- [Grade 4 at a Glance](#)
- [Grade 5 at a Glance](#)
- [Grade 6 at a Glance](#)

This site is available at learnalberta.ca/content/mychildslearning

Learn Alberta "Learn Everywhere" Mathematics Online Courses

This resource includes free access to "student modules" which contain discussion questions, achievement indicators, games, workbook pages and activities for each grade. It is available by checking the grade boxes for 1, 2, 3, 4, 5 and/or 6 and searching "Learn Everywhere" in the [Learn Alberta search bar](#).
