

Supports For High School Students Learning at Home

The following Edmonton Public Schools and Alberta Education resources are available FREE OF COST for parents. Check SchoolZone regularly for resource updates as you support your student's learning at home.

Learn Everywhere Online Modules

This landing page offers resource lists and provides access to, the multimedia resources contained in the Mathematics, Social Studies, English, Chemistry, Physics, Biology and many other "Learn Everywhere" course modules. Students can access "student modules" for free, course textbooks will be required for module work. It is available by searching "Learn Everywhere" in the [Learn Alberta search bar](#)

Quest A+

This site provides practice questions for Diploma exams that can help students practice, and check their understanding. Quest A+ is available at questaplus.alberta.ca.

Writing Diploma Exams

This site provides student guides, exemplars, examples of students' writing and practice questions for diploma exams. This information is available at Alberta.ca/writing-diploma-exams.

My Child's Learning: A Parent Resource

This site will provide parents with a better understanding of Alberta's curriculum and related information for you teen. This tool can help parents discover what their teen is learning, how they're assessed and what resources are available to help them be successful.

This site is available at learnalberta.ca/content/mychildslearning

Mathematics 10 - 12 Program Supports for Everyone Videos

On the Alberta Education website there are program support resources such as videos, FAQ's and fact sheets that parents can use with their teen to strengthen their mathematics skills at home as well as at school. These videos are labelled 7-9 however they can support student understanding of math concepts in High School. These videos are available on education.alberta.ca.

Literacy Tips - Senior High

As a parent, you are your student's first and most important teacher. To help strengthen your ability to be a great coach and mentor at home, we've created a series of tip sheets for parents of high school students. Use these resources with your teen to ensure they strengthen their literacy skills at home as well as at school.

Tip sheets are available on epsb.ca.

EPSB TOGETHER

A LITERACY & NUMERACY APP FOR FAMILIES

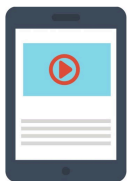

EPSB Together Literacy & Numeracy App

EPSB Together is a FREE literacy and numeracy app for families with K - 12 students. It has activities for parents and guardians to support learning in regular, French Immersion and bilingual programs.

There are three ways to access this app:

- www.epsbtogether.ca
- The App Store
- Google Play

*Anytime help,
anywhere!*
