Feedback from the year so far from the Council: Child comes home all the time with joy and a positive attitude, loves it here. Child is coming home with new friends, would love to see some team building activities and ice breaker activities. Lots of chaos at the locker space with the grade 7 area. Remind students to be kind and patient. Child loves the school and thought it was exactly how she thought Jr High would be. When there was an issue at school, teachers or admin contacted home quickly. Kids are loving it here and loving the opportunities.
