Principal: Simon Williams

Updated: September 2024

## Supporting Student Success

---

We all have a role to play in helping your child be successful.

### **You can support your child's learning by:**

- working in partnership with school staff.
- providing a quiet place for your child to study at home.
- staying informed and keeping in touch with school staff. This includes reading information from SchoolZone, newsletters and other school materials.
- attending parent-teacher conferences.

### **Teachers will help your child succeed by:**

- providing programming that is appropriate for your child.
- providing many opportunities and different ways for students to show what they know.
- giving students who have missed important assessments and activities the chance to complete the work.
- clearly explaining what is expected of students in all courses and how student work will be graded/graded (i.e., course outline).
- keeping detailed, accurate notes describing your child's successes and areas for growth.
- communicating with you regularly about your child's progress and achievement.
- providing opportunities for you to be involved in your child's learning.

### **Students have a responsibility for their own learning and are expected to:**

- come to school every day on time.
- finish their assignments, projects and tasks to the best of their ability.
- participate in learning activities.
- regularly review what has been taught and ask for help when required.
- use opportunities to revise or retake assignments or tests to demonstrate growth in knowledge and skills.

## Our Communication Plan for Reporting Progress

---

There are many ways we help you stay informed about your child's learning throughout the year. We encourage you to review your child's reports and attend conferences regularly.

### Reporting Periods

Term 1: August 29, 2024 to November 29, 2024

Term 2: December 1, 2024 to March 21, 2025

Term 3: April 1, 2024 to June 26, 2025

### Progress Reports Issued

Progress Reports will be distributed electronically via SchoolZone on November 29, 2024, March 21, 2025 and June 25, 2025. Any families requesting to receive a hard copy of the progress reports are asked to contact the school office to be added to our hard copy recipient list.

### Conferences

Schools must establish at least two formal parent-teacher conferences per school year.

The first term Family-Teacher Conferences will take place October 23 and 24, 2024.

The second term, Celebrations of Learning for K-6 will take place from March 19 and 20, 2025.

### **Individualized Program Plans (IPPs)**

For students who need specialized services and supports, the IPP is a working document that is developed within the first two months of the school year. It is a record of your child's progress related to specific goals and strategies. It gives you confirmation that your child's needs are being addressed and provides information about accommodations and supports your child needs to succeed. The IPP is reviewed at least three times a year. We expect you and your child (as appropriate) to provide input into the IPP.

IPP Input Questions are shared with parents by September 27, 2024. Initial IPP reviews will be completed and shared with parents by the end of October. IPPs will be reviewed on November 29, 2024, March 21, 2024 and June 25, 2025.

### **English as an Additional Language (EAL) Proficiency Assessments**

For students learning English, EAL Proficiency Assessments measure English abilities in four areas: listening, speaking, reading and writing. Teachers use a variety of tools each year to help them plan lessons and communicate with you about your child's progress in learning English.

A summary of Proficiency on the ESL Benchmarks will be uploaded to SchoolZone for parents/guardians to view by November 29, 2024. Parents/guardians are invited to meet with the teacher to discuss the proficiency benchmark in more detail.

## Evaluating Student Achievement

To determine your child's grade at the end of a reporting period, teachers use professional judgment based on evidence of what your child has learned.

At Greenfield School, student grades/marks are reported using letter grades.

Exemplary—A (80–100%)	Proficient—B (65–79%)	Adequate—C (50–64%)	Limited—D (0–49%)
<ul style="list-style-type: none"> <li>• Demonstrates extensive knowledge required to meet outcomes.</li> <li>• Demonstrates an insightful understanding of the concepts relating to outcomes.</li> <li>• Demonstrates the skills and processes embedded in outcomes in an efficient manner.</li> </ul>	<ul style="list-style-type: none"> <li>• Demonstrates substantial knowledge required to meet outcomes.</li> <li>• Demonstrates a logical understanding of the concepts relating to outcomes.</li> <li>• Demonstrates the skills and processes embedded in outcomes in an effective manner.</li> </ul>	<ul style="list-style-type: none"> <li>• Demonstrates sufficient knowledge required to meet outcomes.</li> <li>• Demonstrates a basic understanding of the concepts relating to outcomes.</li> <li>• Demonstrates the skills and processes embedded in outcomes in an acceptable manner.</li> </ul>	<ul style="list-style-type: none"> <li>• Student has not yet demonstrated sufficient knowledge required to meet outcomes.</li> <li>• Student has not yet demonstrated a basic understanding of the concepts relating to outcomes.</li> <li>• Student has not yet demonstrated the skills and processes embedded in outcomes in an acceptable manner.</li> </ul>
<p>Extensive - <i>ideas and/or actions provide extension or enriched thinking</i></p> <p>Insightful - <i>accurate and deep understanding</i></p> <p>Efficient - <i>ability to produce desired results with minimal steps or effort</i></p>	<p>Substantial- <i>a considerable amount of ideas or degree of a desired quality</i></p> <p>Logical - <i>using reason in an orderly and compelling fashion</i></p> <p>Effective - <i>producing a result that is wanted</i></p>	<p>Sufficient - <i>shows enough evidence of having met the criteria or requirements</i></p> <p>Basic - <i>simple or merely functional</i></p> <p>Acceptable - <i>meeting minimum criteria or requirements in a way that is agreeable to others</i></p>	<p>* Taken from: AAC Rubric Wordsmith at <a href="http://www.aac.ab.ca/go">www.aac.ab.ca/go</a> and <a href="#">Performance Standards Word List</a></p>

### Grade Level of Programming (GLP)

GLP shows the current grade level at which a student is being taught. This is usually the same grade in which a student is enrolled. GLP appears on each progress report for English and French language arts, math, science and social studies. GLP also appears for language arts in the target language in bilingual programs.

## End-of-Term and End-of-Course Codes

On your child's progress report, a teacher may use these Division codes for end-of-term and/or end-of-year performance descriptors/letter grades/ percentage marks.

Code	Meaning	Uses
<b>IEA</b>	Insufficient Evidence Available	<ul style="list-style-type: none"> <li>IEA is used only as an <b>end-of-term</b> code when a teacher does not have enough evidence about a student's progress to give a grade/mark at the end of a term. IEA is <b>not</b> used as a final course code.</li> </ul>
<b>NGC</b>	Not on Graded Curriculum	<ul style="list-style-type: none"> <li>NGC is used as an <b>end-of-term code</b> when a student, identified as having special education needs as documented on the student's IPP, is receiving modified programming and is therefore not on the graded curriculum.</li> <li>NGC is used as an <b>end-of-course code</b> when a student is provided a code of NGC in one, two or all three terms.</li> <li>Teachers who use the end-of-term or end-of-course code NGC for Mathematics and/or English Language Arts/English Language Arts and Literature on a student's progress report will leave the GLP blank when reporting GLP.</li> </ul>
<b>CMU</b>	Course Mark Unavailable	<ul style="list-style-type: none"> <li>CMU may be used at the <b>end of a course when a student is provided a code of IEA</b> in at least one term, two or all three terms.</li> <li>CMU indicates that a teacher does not have enough evidence over an entire course to give a final grade/mark.</li> </ul>

## How We Determine Student Grades/Marks

---

At Edmonton Public Schools, we determine grades in a variety of ways.

### Formative Assessment

Throughout the year, your child will have many opportunities that help them increase what they know, understand and are able to do. These activities show your child's teacher how they are doing, what their strengths are and where they can improve in relation to the Alberta curriculum. This is called formative assessment. Teachers use this information to adjust their teaching, give feedback for improvement and prepare your child for times when they will receive grades.

### Summative Assessment

During the school year, your child will have a chance to show what they have learned in relation to the Alberta curriculum. Using their judgment as professionals, teachers make decisions and determine grades that describe how your child is learning. They base these decisions on what they've seen your child do (observations), discussions they've had with your child (conversations) and the work your child has completed (products).

### Missing or Incomplete Student Work

Principals must make sure that teachers communicate with parents/guardians promptly and regularly about missing or incomplete student work. This is outlined in Administrative Regulation [GKB.AR Standards for Evaluation](#), section 4:

4. Principals must work with their teachers to comply with the following:
  - a. evidence of student achievement has been collected by the teacher;
  - b. communication plans for reporting student achievement and growth to parents/guardians are developed and aligned with school-wide assessment and intervention plans;
  - c. a student has been given multiple opportunities and ways to demonstrate his/her learning;
  - d. follow up has occurred to determine the reason when a summative assessment item (assignment, test, project, etc.) is missing or incomplete, and that opportunities for the student to fulfill the requirement of the summative assessment item (assignment, test, project, etc.) are provided;
  - e. if the student continues to be unsuccessful, the student/parents/guardians will be informed and the teacher will solicit a solution in consultation with the student's parents/guardians to hold the student accountable and/or plan for further learning;
  - f. teachers will engage in on-going, timely communication with parents/guardians/students and the principal regarding missing or incomplete work; and
  - g. providing 4. b–f have been followed, the teacher can assign the student a mark of zero for that missed summative assessment item (assignment, test, project, etc.).

When your child has missing or incomplete work, we will:

- Communicate (written or verbal) with students and parents to understand the cause of the missing work
- Communicate the learning activities/outcomes that have been missed through phone calls and email
- Allow reasonable opportunities for the student to complete the missing work; this may include time provided during the day if appropriate teacher support can be scheduled
- Provide the student with support, which may include one on one support, group support, peer tutoring, incentive programs or drop in support
- Where key assessments are missed, allow reasonable opportunities for the student to show that they know the key concepts involved in the assessment

## Curriculum Summaries

[Curriculum at a Glance](#) (Alberta Education)

### The Role of Homework

Homework is meant to:

- help support your child's learning
- reinforce what your child learned in school
- give your child more practice

At Greenfield School, our homework priority involves a focus on reading and word work as the foundation for learning. Daily home reading and free reading are essential to develop reading and writing skills that are important throughout a person's life. Parents are encouraged to use home time to support their child's curiosity and sense of wonder in various diverse disciplines while modeling their own learning and the application of school-based knowledge in their daily lives. Students may be assigned work that they did not have time to complete during class time or where extra practice is recommended.

### Academic Integrity

Cheating is not acceptable. This includes plagiarism (copying someone else's work and passing it off as your own), stealing tests or assignments and getting answers for a test or assignment in advance. Cheating also includes giving answers or work to others to claim as their own.

If your child is suspected of plagiarism or cheating, school administration will meet with them and take action in accordance with Administrative Regulation [HG.AR Student Behaviour and Conduct](#).

### Grades Appeal Process

To appeal the grade your child has been given, contact the classroom teacher. If you can't resolve the appeal with the teacher, contact the principal who will make a decision and explain it to you. The principal's decision is final. A principal's authority to do this is set out in the [Education Act](#).

## The Role of Large Scale Tests

---

### What are the Literacy and Numeracy Screening Assessments?

Alberta Education mandated Literacy and Numeracy Screening Assessments for all students in Kindergarten to Grade 3. These screening assessments will help teachers identify students in the critical early years who are most in need of additional support and provide a means to monitor growth over time. Below are descriptions of each assessment:

- The **Rapid Automatized Naming (RAN)** assesses children's and students' cognitive speed and automaticity of digit recognition.
- **The Phonological Awareness Screening Test (PAST)** assesses children's and students' phonemic awareness and proficiency.
- The **Castles and Coltheart 3 (CC3)** assessment is an English word-reading test designed to identify the nature of a student's reading difficulties. The CC3 assesses a student's ability to recall familiar and irregular words, and their ability to sound out non-words that were created specially for this assessment and are meant to be fictitious and without meaning.
- The **Letter Name-Sound (LeNS)** assesses a student's ability to sound out single letters and letter combinations.
- The **Provincial Numeracy Screening Assessment** is a collection of tasks designed to help teachers understand their students' underlying knowledge of the number system, basic number operations and proportional reasoning skills.

### Which Provincial Literacy and Numeracy Screening Assessments apply to each grade?

- **Kindergarten**
  - January, 2025
    - RAN
    - Kindergarten PAST
    - Kindergarten LeNS
    - Kindergarten Provincial Numeracy Assessment
- **French immersion Kindergarten**
  - January, 2025
    - RAN
    - Kindergarten PAST
    - Kindergarten LeNS
    - Kindergarten Provincial Numeracy Assessment
- **Grade 1**
  - September, 2024
    - RAN
    - Grade 1 PAST
    - Grade 1 September LeNS
    - Grade 1 Provincial Numeracy Assessment
  - January, 2025
    - Grade 1 January LeNs
    - CC3
    - Grade 1 Provincial Numeracy Assessment
  - May, 2025 - For students identified in January as 'at risk' based on their scores
    - Grade 1 LeNs
    - CC3

- Grade 1 Provincial Numeracy Assessment
- **French immersion Grade 1**
  - September, 2024
    - DRS
    - Grade 1 TDCP
    - Grade 1 September NSle
    - Grade 1 Test de dépistage provincial en numératie
  - January, 2025
    - Grade 1 January NSle
    - CC3
    - Grade 1 Test de dépistage provincial en numératie
  - May, 2025 - For students identified in January as 'at risk' based on their scores
    - Grade 1 NSle
    - CC3
    - Grade 1 Test de dépistage provincial en numératie
- **Grade 2**
  - September, 2024
    - LeNS
    - CC3
    - Provincial Numeracy Assessment
  - January, 2025
    - LeNs
    - CC3
    - Provincial Numeracy Assessment
  - May, 2025 - For students identified in January as 'at risk' based on their scores
    - LeNs
    - CC3
    - Provincial Numeracy Assessment
- **French immersion Grade 2**
  - September, 2024
    - NSle
    - CC3
    - Test de dépistage provincial en numératie
  - January, 2025
    - NSle
    - CC3
    - Test de dépistage provincial en numératie
  - May, 2025 - For students identified in January as 'at risk' based on their scores
    - NSle
    - CC3
    - Test de dépistage provincial en numératie
- **Grade 3**
  - September, 2024
    - CC3
    - Provincial Numeracy Assessment
  - January, 2025
    - CC3

- Provincial Numeracy Assessment
  - May, 2025 - For students identified in January as 'at risk' based on their scores
    - CC3
    - Provincial Numeracy Assessment
- **French immersion Grade 3**
  - September, 2024
    - CC3
    - Test de dépistage provincial en numératie
  - January, 2025
    - CC3
    - Test de dépistage provincial en numératie
  - May, 2025 - For students identified in January as 'at risk' based on their scores
    - CC3
    - Test de dépistage provincial en numératie

The Literacy and Numeracy Screening Assessment administration dates will be posted on SchoolZone.

### What is the Canadian Achievement Test (CAT4)?

The **Canadian Achievement Test (CAT4)** measures students' reading comprehension, mathematics, computation and estimation skills. CAT4 will support instruction and planning for interventions and supports. The CAT4 is administered in the fall and again in the spring to provide information about student growth.

### Who takes the CAT4?

- students in Grade 4 to Grade 9 including French immersion and bilingual programs

The CAT4 Fall administration dates are September 16, 2024–September 27, 2024.

The CAT4 Spring administration dates are April 28, 2025–May 9, 2025.

### What is the Highest Level of Achievement Test (HLAT)?

The **Highest Level of Achievement Test (HLAT)** measures students' writing skills compared with the Alberta curriculum in language arts. It shows teachers in each school how well their students are doing and how they compare to students across the Division.

### Who takes the HLAT?

- students in Grade 1 to Grade 9 in English language arts
- students in Grade 2 to Grade 9 in French Immersion and bilingual programs\*
- students in Grade 8 and Grade 9 in Late French Immersion

\*The bilingual HLAT is called the bilingual writing assessment tool and is specific to certain languages (e.g., Chinese bilingual writing assessment tool, Arabic bilingual writing assessment tool).

The HLAT administration dates for students in English Language Arts are April 7–April 11, 2025.

The HLAT administration dates for students in French Immersion and bilingual programs are October 1–October 7, 2024.

## What are Provincial Achievement Tests?

The **Provincial Achievement Tests (PATs)** measure how well students across Alberta are learning content as described in the curriculum. Average PAT scores for the school are shared publicly to show how Alberta students are doing, compared to provincial standards. Results from PATs help schools, school authorities and the province monitor and improve student learning.

While PATs are an important part of determining student growth and achievement, they are one part of the assessment process.

According to **Alberta Education**:

“PATs are only one of many ways to evaluate student learning and are not meant to replace day-to-day teacher observations and classroom assessment. They are sources of information that must be interpreted, used and communicated within the context of regular and continuous assessment by classroom teachers.”

## Who takes PATs?

- students in Grade 6 and Grade 9 in English or French language arts, math, science and social studies write PATs

## When are PATs administered?

- PATs are typically administered in the spring (PATs may be administered in January for Division schools in a semestered program).
- PATs will administered on the following dates:
  - May 26 French Language Arts Part A
  - May 28 English Language Arts Part A
  - June 11 French Language Arts Part B
  - June 12 English Language Arts Part B
  - June 13 Mathematics Part A
  - June 17 Mathematics Part B
  - June 18 Social Studies
  - June 19 Science

The Alberta government expects school divisions to report the scores from Grades 6 and 9 PATs. We will report the results to students and parents/guardians via an end of year summary letter.
