## School Assessment Plan 2023–2024, Grades 7 – 9

At Edmonton Public Schools, we're committed to success, one student at a time. One of the ways we help all students be successful is by always improving the way we assess and evaluate what students learn. We also want to improve how we report back to you about how your child is doing at school.

This guide will help you understand:

- responsibilities of staff, students and parents/guardians.
- how we will tell you about your child's progress and learning.
- how we assign grades/marks to your child.
- how your child is assessed.
- the steps we take if your child's work is missing or not finished.

### What is assessment?

In this plan, we use the term assessment to describe the process of determining what students have learned, and how well they have learned it. Assessment is not just about tests and grades.

Assessment means gathering information about what your child knows, understands and is able to do based on the Alberta programs of study (curriculum) or their Individualized Program Plan (IPP). Teachers cannot base grades/marks on your child's behaviour, effort and work habits unless those behaviours are outlined in the Alberta curriculum for a specific subject.

To find out where your child is at in their learning, teachers use many tools. Conversations, observations and student work are just some of the ways teachers determine students' strengths and where they might need extra help. These activities—conversations, observations and the products students create—help teachers shape their lesson plans. They guide *how* they can help every student meet their learning goals. The activities also help inform the teacher's understanding when making decisions about grade level of programming, course recommendations or grades/marks. The collection of observations, conversations and student work allows teachers to give you a clear and accurate picture of your child's progress in school.

### How to support your child's learning

As a parent or guardian, you are your child's first teacher. So, understanding how your child is doing in school is important. Read this guide, and contact the school or make an appointment to see your child's teacher or principal if you have any questions.

## Supporting Student Success

---

We all have a role to play in helping your child be successful.

### **You can support your child's learning by:**

- working in partnership with school staff.
- providing a quiet place for your child to study at home.
- staying informed and keeping in touch with school staff. This includes reading newsletters and other school materials.
- going to parent-teacher conferences.

### **Teachers will help your child succeed by:**

- providing programming that's suitable for your child.
- providing many opportunities and different ways for students to show what they know.
- giving students who've missed important assessments and activities the chance to complete the work.
- clearly explaining what's expected of students in all courses and how student work will be graded/marked (i.e., course outline).
- keeping detailed, accurate notes describing your child's successes and challenges.
- communicating with you regularly about your child's progress and achievement.
- providing opportunities for you to be involved in your child's learning.

### **Students have a responsibility for their own learning and are expected to:**

- come to school every day and on time.
- finish their assignments, projects and tasks to the best of their ability.
- participate in activities to celebrate learning.
- show that they're learning.
- take advantage of chances to revise or redo assignments or tests so they can show growth in their knowledge and skills.

## Our Communication Plan for Reporting Progress

---

There are many ways we help you stay informed about your child's learning throughout the year. We encourage you to review your child's reports and attend conferences regularly.

### Reporting Periods

Quarter 1: September 5, 2023 to November 8, 2023

Quarter 2: November 15, 2023 to January 30, 2024

Quarter 3: February 1, 2024 to April 19, 2024

Quarter 4: April 22, 2024 to June 26, 2024

### Progress Reports Issued

- November 8, 2023
- January 30, 2024
- April 19, 2024
- June 27, 2024

### Conferences

Schools must establish at least two formal parent-teacher conferences per school year.

This year we will continue with virtual conferences (Google Meet or Telephone Conversations) as we found we were able to connect with more families using this format. The first conference will occur on November 16th. The purpose of this conference is to share information, involve parents and students in goal setting processes and encourage growth and improvement. A subsequent conference will be held on February 8<sup>th</sup>. In addition, parents are always welcome to request a meeting with their child's teacher throughout the year.

### Individualized Program Plans (IPPs)

For students who need specialized services and supports, the IPP is a working document that is developed within the first two months of the school year. It is a record of your child's progress related to specific goals and strategies. It gives you confirmation that your child's needs are being addressed and provides information about accommodations and supports your child needs to succeed. The IPP is reviewed at least three times a year. We expect you and your child (as appropriate) to provide input into the IPP.

The IPP planning parent input form will be sent home during the week of September 12th. IPPs will be posted on SchoolZone on November 8<sup>th</sup>. A signature page will be sent home and when returned will be stored in each student's homeroom.

IPP review dates will be:

- January 19, 2024
- April 12, 2024
- June 21, 2024

## English as an Additional Language (EAL) Proficiency Assessments

For students learning English, EAL Proficiency Assessments measure English abilities in four areas: listening, speaking, reading and writing. Teachers use a variety of tools each year to help them plan lessons and communicate with you about your child's progress in learning English.

Teachers report on students' progress in learning English through report cards, IPPs, parent-teacher interviews, phone calls, and emails.

## Grades/Marks and Codes

To determine your child's grade/mark at the end of a reporting period, teachers use evidence of what your child has learned and their professional judgment.

At L. Y. Cairns School, Grades 7 and 8 student grades are reported using letter grades for all courses. Grades 9 – 12 students receive numerical marks.

Exemplary—A (80–100%)	Proficient—B (65–79%)	Adequate—C (50–64%)	Limited—D (0–49%)
<i>(Adapted from Alberta programs of study)</i>			
<ul style="list-style-type: none"> <li>Learning goals are met in an astute and comprehensive way.</li> <li>Assignments are well crafted, organized in a purposeful fashion, and demonstrate attention to precise details.</li> <li>Demonstrates an in-depth understanding and degree of skill on summative assessments.</li> <li>Has assembled an in-depth understanding of the concepts, generalizations and skills fundamental to the program.</li> </ul>	<ul style="list-style-type: none"> <li>Learning goals are met in a practical and thorough way.</li> <li>Assignments are complete, organized in a competent fashion, and demonstrate attention to relevant details.</li> <li>Demonstrates a substantial understanding and degree of skill on summative assessments.</li> <li>Has assembled a thorough understanding of the concepts, generalizations and skills fundamental to the program.</li> </ul>	<ul style="list-style-type: none"> <li>Learning goals are met in an appropriate and reasonable way.</li> <li>Assignments are generally complete, organized in an acceptable fashion, and demonstrate attention to predictable details.</li> <li>Demonstrates a satisfactory understanding and degree of skill on summative assessments.</li> <li>Has assembled a basic understanding of the concepts, generalizations and skills fundamental to the program.</li> </ul>	<ul style="list-style-type: none"> <li>Student has demonstrated insufficient performance in relation to learner outcomes.</li> </ul>

### Grade Level of Programming (GLP)

GLP shows the current grade level at which a student is being taught. This is usually the same grade in which a student is enrolled. GLP appears on each progress report for English and French language arts, math, science and social studies. GLP also appears for language arts in the target language in bilingual programs.

### Division-Approved End-of-Term and End-of-Course Codes

On your child's progress report, a teacher may use these Division codes for end-of-term and/or end-of-year grades/marks.

<b>IEA</b>	Insufficient Evidence Available	IEA is used only as an <b>end-of-term</b> code when a teacher does not have enough evidence about a student's progress to give a grade/mark at the end of a term. IEA is <b>not</b> used as a final course code.
<b>NGC</b>	Not on Graded Curriculum	NGC is used only as an <b>end-of-term</b> code when a student, identified as having special education needs, is not on the graded curriculum and is issued a progress report. It is also used when a student in Grade 1 or higher is continuing to work toward learning outcomes in the Kindergarten Program Statement. A student with an <b>end-of-term</b> code of NGC will have a GLP of <1.
<b>CMU</b>	Course Mark Unavailable	CMU may be used only at the <b>end of a course</b> when a student has a code of IEA in at least one term. CMU indicates that a teacher does not have enough evidence over an entire course to give a final grade/mark. CMU may also be used at the <b>end of a course</b> when a student has a code of NGC in at least one term. CMU may also be used as an <b>end-of-term</b> code for courses that are completed at the end of that term (i.e., Junior High option courses).

The following codes provide information about evaluation of student achievement and growth.

<b>E</b>	Exemplary	The student has exemplary knowledge, skills and understanding of concepts and is able to transfer understanding independently in new situations. The student may require support to further extend understanding of concepts.
<b>P</b>	Proficient	The student has proficient knowledge, skills and understanding of concepts that can be applied in familiar situations. The student may require occasional support to transfer learning to new situations.
<b>AD</b>	Adequate	The student has adequate knowledge, skills and understanding of concepts. The student requires support and/or further experiences to develop a deeper understanding of concepts and apply learning in familiar and new situations.
<b>L</b>	Limited	The student has limited knowledge, skills and understanding of concepts. The student requires support to develop and apply learning in highly structured situations.
<b>IEA</b>	Insufficient Evidence Available	Sufficient evidence is not yet available to provide an informed judgment of the student's achievement and growth.

## How We Determine Student Grades/Marks

At Edmonton Public Schools, we determine grades in a variety of ways.

### Formative Assessment

Throughout the year, your child will work on many activities that help them increase what they know, understand and are able to do. These activities show your child's teacher how they are doing, what their strengths are and where they can improve in relation to the Alberta programs of study. This is called formative assessment.

Teachers use this information to adjust their teaching, give your child feedback to help them improve and prepare your child for times when they will receive grades.

### Summative Assessment

During the school year, your child will have a chance to show what they have learned in relation to the Alberta programs of study. Using their judgment as professionals, teachers make decisions and determine grades that describe how your child is learning. They base these decisions on what they've seen your child do (observations), discussions they've had with your child (conversations) and the work your child has completed (products).

## Missing or Incomplete Student Work

Principals must make sure that teachers communicate with parents/guardians promptly and regularly about missing or incomplete student work. This is outlined in Administrative Regulation [GKB.AR Standards for Evaluation](#), section 4:

4. Principals must work with their teachers to comply with the following:
  - a. evidence of student achievement has been collected by the teacher;
  - b. communication plans for reporting student achievement and growth to parents/guardians are developed and aligned with school-wide assessment and intervention plans;
  - c. a student has been given multiple opportunities and ways to demonstrate his/her learning;
  - d. follow up has occurred to determine the reason when a summative assessment item (assignment, test, project, etc.) is missing or incomplete, and that opportunities for the student to fulfill the requirement of the summative assessment item (assignment, test, project, etc.) are provided;
  - e. if the student continues to be unsuccessful, the student/parents/guardians will be informed and the teacher will solicit a solution in consultation with the student's parents/guardians to hold the student accountable and/or plan for further learning;
  - f. teachers will engage in on-going, timely communication with parents/guardians/students and the principal regarding missing or incomplete work; and
  - g. providing 4. b–f have been followed, the teacher can assign the student a mark of zero for that missed summative assessment item (assignment, test, project, etc.).

When your child has missing or incomplete work, we will support all students with the necessary time and support they need to demonstrate their learning. At L. Y. Cairns School, we have a school-wide learning success plan. L. Y. Cairns is committed to ensuring that all students learn at high levels.

When students require support, they will work alongside their teachers who will provide students with additional time and assistance. This time and assistance can take many different forms. When assigned an additional learning opportunity by their teachers, students are required to attend. This support can occur during regularly scheduled blocks, during rotation programming, or during the lunch hour.

Regular communication between home and school regarding students requiring support will occur on an on-going basis.

## Curriculum Summaries

[Curriculum at a Glance](#) (Alberta Education)

## The Role of Homework

Homework is meant to:

- help support your child’s learning
- reinforce what your child learned in school
- give your child more practice

At L. Y. Cairns School, our homework policy includes the belief that students are active participants in their learning. Homework provides opportunities to practice new learning and share what they know with their parents.

Homework is not new learning; it is review and completion of already learned material. If time remains, students always benefit from any free reading. Homework is an essential part of the school routine. Homework develops good study habits and ensures success in future studies.

The areas that are a part of the regular homework schedule include:

- completion of work not finished in class;
- completion of daily assignments;
- working on long-term assignments (teachers ensure that longer projects have achievable segments, and that regular monitoring of progress occurs);
- review of learning (up to three quarters of learned material is forgotten within three days, unless regular review occurs);

studying for exams and tests; and reading.

## Academic Integrity

Cheating is not acceptable. This includes plagiarism (copying someone else’s work and passing it off as your own), copying, stealing tests or assignments and getting answers for a test or assignment in advance. Cheating also includes giving answers or work to others to claim as their own.

If your child is suspected of plagiarism or cheating, school administration will meet with them and take action in accordance with Administrative Regulation [HG.AR Student Behaviour and Conduct](#).

## Grades/Marks Appeal Process

To appeal the grade/mark your child has been given, contact the classroom teacher. If you can’t resolve the appeal with the teacher, the principal will make a decision and explain it to you. The principal’s decision is final. A principal’s authority to do this is set out in the [Education Act](#).

## The Role of Large Scale Tests

---

### What is the Canadian Achievement Test (CAT4)?

The **Canadian Achievement Test (CAT4)** measures students' reading comprehension, mathematics, computation and estimation skills. CAT4 will support instruction and planning for interventions and supports. The CAT4 is administered in the fall and again in the spring to provide information about student growth.

### Who takes the CAT4?

- students in Grade 4 to Grade 9 in regular and bilingual programs
- students in Grade 4 to Grade 9 in French Immersion

The CAT4 Fall administration dates are September 18, 2023–September 29, 2023.

The CAT4 Spring administration dates are April 29, 2024–May 10, 2024.

### What is the Highest Level of Achievement Test (HLAT)?

The **Highest Level of Achievement Test (HLAT)** measures students' writing skills compared with the Alberta curriculum in language arts. It shows teachers in each school how well their students are doing and how they compare to students across the Division.

### Who takes the HLAT?

- students in Grade 1 to Grade 9 in English language arts
- students in Grade 2 to Grade 9 in French Immersion and bilingual programs\*
- students in Grade 8 and Grade 9 in Late French Immersion

\*the bilingual HLAT is called the bilingual writing assessment tool and is specific to certain languages (e.g., Chinese bilingual writing assessment tool, Arabic bilingual writing assessment tool)

The HLAT administration dates for students in English Language Arts are April 15–April 19, 2024.

### What is the Math Intervention/Programming Instrument (MIPI)?

The **Math Intervention/Programming Instrument (MIPI)** measures students' knowledge of the previous year's math curriculum. It shows teachers how well students understand different math concepts so they can identify appropriate programming for students.

### Who takes the MIPI?

- students in Grades 7 to 10

The MIPI administration dates will be posted on SchoolZone.

## School Assessment Plan 2023–2024, Grades 10 – 12

At Edmonton Public Schools, we're committed to success, one student at a time. One of the ways we help all students be successful is by always improving the way we assess and evaluate what students learn. We also want to improve how we report back to you about how your child is doing at school.

This guide will help you understand:

- responsibilities of staff, students and parents/guardians.
- how we will tell you about your child's progress and learning.
- how we assign grades/marks to your child.
- how your child is assessed.
- the steps we take if your child's work is missing or not finished.

### What is assessment?

In this plan, we use the term assessment to describe the process of determining what students have learned, and how well they have learned it. Assessment is not just about tests and grades.

Assessment means gathering information about what your child knows, understands and is able to do based on the Alberta Programs of Study (curriculum) or their Individualized Program Plan (IPP). Teachers cannot base grades/marks on your child's behaviour, effort and work habits unless those behaviours are outlined in the Alberta Programs of Study for a specific subject.

To find out where your child is at in their learning, teachers use many tools. Conversations, observations and student work are just some of the ways teachers determine students' strengths and where they might need extra help. These activities—conversations, observations and the products students create—help teachers shape their lesson plans. They guide *how* they can help every student meet their learning goals. The activities also help inform the teacher's understanding when making decisions about grade level of programming, course recommendations or grades/marks. The collection of observations, conversations and student work allows teachers to give you a clear and accurate picture of your child's progress in school.

### How to support your child's learning

As a parent or guardian, you are your child's first teacher. So, understanding how your child is doing in school is important. Read this guide, and contact the school or make an appointment to see your child's teacher or principal if you have any questions.

## Supporting Student Success

---

We all have a role to play in helping your child be successful.

### **You can support your child's learning by:**

- working in partnership with school staff.
- providing a quiet place for your child to study at home.
- staying informed and keeping in touch with school staff. This includes reading newsletters and other school materials going to parent-teacher conferences.

### **Teachers will help your child succeed by:**

- providing programming that's suitable for your child.
- providing many opportunities and different ways for students to show what they know.
- giving students who've missed important assessments and activities the chance to complete the work.
- clearly explaining what's expected of students in all courses and how student work will be graded/graded (i.e., course outline).
- keeping detailed, accurate notes describing your child's successes and challenges.
- communicating with you regularly about your child's progress and achievement.
- providing opportunities for you to be involved in your child's learning.

### **Students have a responsibility for their own learning and are expected to:**

- come to school every day and on time.
- finish their assignments, projects and tasks to the best of their ability.
- participate in activities to celebrate learning.
- show that they're learning.
- take advantage of chances to revise or redo assignments or tests so they can show growth in their knowledge and skills.

## Our Communication Plan for Reporting Progress

---

There are many ways we help you stay informed about your child's learning throughout the year. We encourage you to review your child's reports and attend conferences regularly.

### Reporting Periods

Quarter 1: September 5, 2023 to November 8, 2023

Quarter 2: November 15, 2023 to January 30, 2024

Quarter 3: February 1, 2024 to April 19, 2024

Quarter 4: April 22, 2024 to June 26, 2024

### Progress Reports Issued

- November 8, 2023
- January 30, 2024
- April 19, 2024
- June 27, 2024

### Conferences

Schools must establish at least two formal parent-teacher conferences per school year.

This year we will continue with virtual conferences (Google Meet or Telephone Conversations) as we found we were able to connect with more families using this format. The first conference will occur on November 16th. The purpose of this conference is to share information, involve parents and students in goal setting processes and encourage growth and improvement. A subsequent conference will be held on February 8<sup>th</sup>. In addition, parents are always welcome to request a meeting with their child's teacher throughout the year.

### Individualized Program Plans (IPPs)

For students who need specialized services and supports, the IPP is a working document that is developed within the first two months of the school year. It is a record of your child's progress related to specific goals and strategies. It gives you confirmation that your child's needs are being addressed and provides information about accommodations and supports your child needs to succeed. The IPP is reviewed at least three times a year. We expect you and your child (as appropriate) to provide input into the IPP.

The IPP planning parent input form will be sent home during the week of September 12th. IPPs will be posted on SchoolZone on November 8<sup>th</sup>. A signature page will be sent home and when returned will be stored in each student's homeroom.

IPP review dates will be:

- January 19, 2024
- April 12, 2024
- June 21, 2024

## English as an Additional Language (EAL) Proficiency Assessments

For students learning English, EAL Proficiency Assessments measure English abilities in four areas: listening, speaking, reading and writing. Teachers use a variety of tools each year to help them plan lessons and communicate with you about your child's progress in learning English.

Teachers report on students' progress in learning English through report cards, IPPs, parent-teacher interviews, phone calls, and emails.

## Grades/Marks and Codes

To determine your child's grade/mark at the end of a reporting period, teachers use evidence of what your child has learned and their professional judgment.

At L. Y. Cairns School, Grades 7 and 8 student grades are reported using letter grades for all courses. Grades 9 – 12 students receive numerical marks.

Exemplary—A (80–100%)	Proficient—B (65–79%)	Adequate—C (50–64%)	Limited—D (0–49%)
<i>(Adapted from Alberta programs of study)</i>			
<ul style="list-style-type: none"> <li>Learning goals are met in an astute and comprehensive way.</li> <li>Assignments are well crafted, organized in a purposeful fashion, and demonstrate attention to precise details.</li> <li>Demonstrates an in-depth understanding and degree of skill on summative assessments.</li> <li>Has assembled an in-depth understanding of the concepts, generalizations and skills fundamental to the program.</li> </ul>	<ul style="list-style-type: none"> <li>Learning goals are met in a practical and thorough way.</li> <li>Assignments are complete, organized in a competent fashion, and demonstrate attention to relevant details.</li> <li>Demonstrates a substantial understanding and degree of skill on summative assessments.</li> <li>Has assembled a thorough understanding of the concepts, generalizations and skills fundamental to the program.</li> </ul>	<ul style="list-style-type: none"> <li>Learning goals are met in an appropriate and reasonable way.</li> <li>Assignments are generally complete, organized in an acceptable fashion, and demonstrate attention to predictable details.</li> <li>Demonstrates a satisfactory understanding and degree of skill on summative assessments.</li> <li>Has assembled a basic understanding of the concepts, generalizations and skills fundamental to the program.</li> </ul>	<ul style="list-style-type: none"> <li>Student has demonstrated insufficient performance in relation to learner outcomes.</li> </ul>

### Division-Approved Term and End of Course Codes:

On your child's Progress Report, a teacher may use these Division codes for term or end of course grades/marks.

<b>IEA</b>	Insufficient Evidence Available	IEA is used only as a <b>term</b> mark when a teacher does not have enough evidence about a student's progress to give a mark at the end of a term.
<b>WDR</b>	Withdrawal	WDR is used only as an <b>end of course</b> mark when a student chooses not to complete a course and the school agrees to withdraw the student from the course. WDR may be used for all courses.
<b>INC</b>	Incomplete	Incomplete is used only as an <b>end of course</b> mark when a student does not withdraw from a Career and Technology Studies (CTS) course and does not successfully complete the course with a mark of 50 per cent or more. No mark is submitted to Alberta Education and the course does not appear on the student transcript. INC is used only for CTS courses.

### The following codes provide information about evaluation of student achievement and growth.

<b>E</b>	Exemplary	Student has exemplary knowledge, skills, and understanding of concepts and is able to transfer understanding independently in new situations. Student may require support to further extend understanding of concepts.
<b>P</b>	Proficient	Student has proficient knowledge, skills, and understanding of concepts that can be applied in familiar situations. Student may require occasional support to transfer learning to new situations.
<b>AD</b>	Adequate	Student has adequate knowledge, skills, and understanding of concepts. Student requires support and/or further experiences to develop a deeper understanding of concepts and apply learning in familiar and new situations.
<b>L</b>	Limited	Student has limited knowledge, skills, and understanding of concepts. Student requires support to develop and apply learning in highly structured situations.
<b>IEA</b>	Insufficient Evidence Available	Sufficient evidence is not yet available to provide an informed judgment of student achievement and growth.

## How We Determine Student Grades/Marks

---

At Edmonton Public Schools, we determine grades/marks in a variety of ways.

### Formative Assessment

Throughout the year, your child will work on many activities that help them increase what they know, understand and are able to do. These activities show your child's teacher how they are doing, what their strengths are and where they can improve in relation to the Alberta Programs of Study. This is called formative assessment.

Teachers use this information to adjust their teaching, give your child feedback to help them improve and prepare your child for times when they will receive grades.

### Summative Assessment

During the school year, your child will have a chance to show what they have learned in relation to the Alberta Programs of Study. Using their judgment as professionals, teachers make decisions and determine grades that describe how your child is learning. They base these decisions on what they've seen your child do (observations), discussions they've had with your child (conversations) and the work your child has completed (products).

### Missing or Incomplete Student Work

Principals must make sure that teachers communicate with parents/guardians promptly and regularly about missing or incomplete student work. This is outlined in Administrative Regulation [GKB.AR Standards for Evaluation](#), section 4:

4. Principals must work with their teachers to comply with the following:
  - a. evidence of student achievement has been collected by the teacher;
  - b. communication plans for reporting student achievement and growth to parents/guardians are developed and aligned with school-wide assessment and intervention plans;
  - c. a student has been given multiple opportunities and ways to demonstrate his/her learning;
  - d. follow up has occurred to determine the reason when a summative assessment item (assignment, test, project, etc.) is missing or incomplete, and that opportunities for the student to fulfill the requirement of the summative assessment item (assignment, test, project, etc.) are provided;
  - e. if the student continues to be unsuccessful, the student/parents/guardians will be informed and the teacher will solicit a solution in consultation with the student's parents/guardians to hold the student accountable and/or plan for further learning;
  - f. teachers will engage in on-going, timely communication with parents/guardians/students and the principal regarding missing or incomplete work; and providing 4. b–f have been followed, the teacher can assign the student a mark of zero for that missed summative assessment item (assignment, test, project, etc.).

When your child has missing or incomplete work, we will support all students with the necessary time and support they need to demonstrate their learning. At L. Y. Cairns School, we have a school-wide learning success plan. L. Y. Cairns is committed to ensuring that all students learn at high levels.

When students require support, they will work alongside their teachers who will provide students with additional time and assistance. This time and assistance can take many different forms. When assigned an additional learning

opportunity by their teachers, students are required to attend. This support can occur during regularly scheduled blocks, during rotation programming, or during the lunch hour.

Regular communication between home and school regarding students requiring support will occur on an on-going basis.

## Curriculum Summaries

[Curriculum at a Glance](#) (Alberta Education)

### The Role of Homework

Homework is meant to:

- help support your child’s learning.
- reinforce what your child learned in school.
- give your child more practice.

At L. Y. Cairns School, our homework policy includes the belief that students are active participants in their learning. Homework provides opportunities to practice new learning and share what they know with their parents.

Homework is not new learning; it is review and completion of already learned material. If time remains, students always benefit from any free reading. Homework is an essential part of the school routine. Homework develops good study habits and ensures success in future studies.

The areas that are a part of the regular homework schedule include:

- completion of work not finished in class;
- completion of daily assignments;
- working on long-term assignments (teachers ensure that longer projects have achievable segments, and that regular monitoring of progress occurs);
- review of learning (up to three quarters of learned material is forgotten within three days, unless regular review occurs);

studying for exams and tests; and reading.

## Academic Integrity

Cheating is not acceptable. This includes plagiarism (copying someone else’s work and passing it off as your own), copying, stealing tests or assignments and getting answers for a test or assignment in advance. Cheating also includes giving answers or work to others to claim as their own.

If your child is suspected of plagiarism or cheating, school administration will meet with them and take action in accordance with Administrative Regulation [HG.AR Student Behaviour and Conduct](#).

## Grades/Marks Appeal Process

To appeal the grade/mark your child has been given, contact the classroom teacher. If you can’t resolve the appeal with the teacher, the principal will make a decision and explain it to you. The principal’s decision is final. A principal’s authority to do this is set out in the [Education Act](#).

In early July, there will be a day to contact the school to appeal June final marks. When this date is set, we will communicate it to you.

## The Role of Large Scale Tests

---

### What is the Math Intervention/Programming Instrument (MIPI)?

The **Math Intervention/Programming Instrument (MIPI)** measures students' knowledge of the previous year's math curriculum. It shows teachers how well students understand different math concepts so they can identify appropriate programming for students.

### Who takes the MIPI?

- students in Grade 10

The MIPI administration dates will be posted on SchoolZone.
