Our Commitment to High Quality Learning Environments

At Edmonton Public Schools, we are deeply committed to the success and well-being of our students. Each student deserves a welcoming, inclusive, safe and healthy learning environment that supports their learning, respects diversity, and nurtures a sense of belonging.

As a Division, we have established clear behaviour expectations for all students, from Kindergarten to Grade 12. The expectations are outlined in the Board's [Student Behaviour and Conduct Policy](#) which was developed in consultation with students, parents, staff and community members. The policy outlines the rights and responsibilities of students and our expectations for student conduct, and the potential responses when students demonstrate unacceptable behaviour.

The role of parents and families in their child's education plays a vital role in promoting positive student behaviour. Partnerships with families continue to make a difference for our students and staff. By working together, we will ensure our students learn the importance of good character and conduct, and our schools will remain safe and secure places to learn and thrive.

Julie Kusiek
Board Chair

Student Success and Safety—Our Highest Priorities

It is our shared responsibility to ensure that each student can learn and realize their potential within a safe and caring learning environment. In addition to teaching the necessary learning outcomes, our schools are places where students can develop the character and skills needed to become responsible, respectful, compassionate and successful citizens.

School staff use the *Education Act*, S.A. 2012, c.E-03, Board Policy [HG.BP—Student Behaviour and Conduct](#) and Administrative Regulation [HG.AR – Student Behaviour and Conduct](#) as the basis for creating this **Student Rights and Responsibilities** document. This document is designed to communicate expectations, and balances the overarching rights and responsibilities that are communicated in our policy with the unique context of each school. The expectations and processes outlined in this document are implemented by principals in collaboration with school staff, parents and local communities.

Ensuring each student can thrive in a safe, productive and welcoming learning environment is essential to our work in improving student achievement and high school completion rates. By working together to promote positive attitudes and responsible, respectful behaviour in our schools, we believe students will receive the greatest benefit during their educational journey.

Ron Thompson
Superintendent of Schools

Supporting Student Success

Members of the Edmonton Public Schools community, including students, parents, staff and trustees, have a shared responsibility to help students be successful in school. Safety and well-being is fundamental to our students thriving as learners, and experiencing success and fulfillment both at school and in their lives. This Student Rights and Responsibilities document has been created to communicate clear expectations for how our students are expected to behave in order to ensure they become the best students and citizens they can be.

Parents support their child's success and positive behaviour by:

- taking an active role in their child's personal and academic success
- reviewing expectations outlined in this document with their child and helping them develop the skills required to meet expectations set out by the school, the Division, and the Province.
- helping them to attend school regularly and punctually
- encouraging and modeling collaborative, positive and respectful relationships with others in the school community
- contributing to a welcoming, caring, respectful, and safe learning environment
- reporting to the school any circumstances which may impact student safety
- talking with their child(ren) about the potential risks and benefits of technology, responsible internet and social media use (including online profiles, group chats, and chats on gaming consoles), and the importance of respecting privacy and protecting personal information in age-appropriate ways.

Students are responsible for their behaviour and effort, and are expected to:

- contribute to a welcoming, caring, inclusive, respectful and safe learning environment that commits to anti-racism and equity
- learn, practice and demonstrate positive personal and interpersonal skills and attributes
- use their abilities and talents to gain maximum learning benefit from their school experience
- attend school regularly and punctually
- be accountable for behaviour which impacts others in the school, whether or not the behaviour occurs within the school building or during the school day or by electronic means

School staff will help your child succeed by:

- providing a welcoming, caring, respectful, inclusive and safe learning environment that respects diversity, commits to anti-racism and equity, and fosters a sense of belonging
- ensuring that students and parents understand the school's expectations for student behaviour
- establishing supports and processes at the school to proactively guide positive student behaviour
- helping students develop and practice the skills and attributes to meet these expectations
- working with students, parents and other school staff to address behaviour concerns, including implementing appropriate responses to address inappropriate student behaviour

To support a shared understanding of the language and intent of this document, refer to the [glossary](#) for a definition of terms.

Our Belief and Commitment

At Eastglen we believe:

Velle is Posse is Eastglen’s school motto, which translates to “Where there’s a will, there’s a way.” We believe that students must play an active role in understanding the learning targets in each of their classes, as well as knowing their academic standing and, if relevant, their IPP goals. To find their “way” to a successful future, students must demonstrate commitment by attending school every day on time, actively engaging in their learning, and developing effective nightly study habits. As Robert Collier said, “Success is the sum of small efforts, repeated day in and day out.” Students are encouraged to proactively access relevant school resources to support their success.

Eastglen High School is a center for learning where acceptance, dignity, and belonging are promoted in a safe and caring environment that sets high standards for student achievement and conduct. Working together as a school community, we are intentionally cultivating a culture of anti-racism and taking visible action towards reconciliation.

Through the partnership of home, school, and community, we provide students with opportunities to develop the skills and attitudes necessary to meet future challenges and become responsible, productive citizens.

In collaboration with our partners—All in For Youth, the Family Centre, e4c, Metis Child and Family, Edmonton Police Services, Edmonton Immigration Services and Big Brothers Big Sisters—Eastglen staff are working to equip students with the psychological, social, cultural, and physical resources they need to be resilient as they navigate challenges and changes.

Rights and Responsibilities

Our Division recognizes the following fundamental rights and responsibilities:

All students have the right to be treated with dignity, respect and fairness by other staff and students.

Students, parents, staff and trustees have a shared responsibility to create and support welcoming, caring, respectful, inclusive and safe learning environments.

All members of our school community are expected to respect diversity and not engage in any form of bullying, harassment, threats, intimidation or discrimination on the basis of race, religious beliefs, colour, gender, gender identity, gender expression, physical disability, mental disability, ancestry, place of origin, marital status, source of income, family status or sexual orientation.

Students and parents have a right to be informed about Division and school expectations for student behaviour. To support this right, all schools' Student Rights and Responsibilities documents will be posted on SchoolZone and on school websites.

Anti-Racism and Equity

All members of the Edmonton Public Schools community:

- have the right to learn and work in an environment that:
 - is free of discrimination, prejudice, and racism
 - recognizes diversity as a strength
 - supports each individual to be included and feel represented in their greater school community, and
- have the responsibility to:
 - demonstrate respect for diverse cultural perspectives, traditions, languages, beliefs and values
 - learn and work together as a part of the broader school community to end racism and discrimination
 - report, not participate in, and not tolerate acts of racism or discrimination.

These rights and responsibilities are communicated in the *Alberta Human Rights Act* and the *Education Act* and are reinforced in Division policies and regulations which are publicly available and include [AE.BP—Welcoming, Inclusive, Safe and Healthy Learning and Working Environments](#), [HG.BP—Student Behaviour and Conduct](#), [HG.AR—Student Behaviour and Conduct](#), [HFA.AR—Sexual Orientation and Gender Identity](#) and [HAAB.BP – Anti-Racism and Equity](#).

We believe that education is about building character and preparing students for life and learning beyond high school. Collaboration is one of our cornerstone values and we believe that by working together with our community partners, students, and parents/guardians, we can help students find a pathway to rigorous and relevant academic experience.

The Latin Motto that was connected to Eastglen High School when it opened its doors in 1953 was **Velle est Posse**. The phrase translates to “Where there is a will, there is a way.” The faculty of Eastglen is passionate about supporting all of our students to have a positive school experience so that they may transition to a life of purpose, fulfillment and dignity.

Eastglen's Goals:

- Academic success: students and staff focus on academic achievement.
- Students are being explicitly taught positive habits for learning and life:
 - **Punctuality:** Arriving on time for school and classes to maximize learning opportunities.
 - **Active Participation:** Engaging in discussions, asking questions, and contributing to group work to deepen understanding.
 - **Consistent Study Routine:** Setting aside dedicated time each day for homework and review to reinforce learning.
 - **Goal Setting:** Establishing short-term and long-term academic goals to stay focused and motivated.
 - **Organization:** Keeping track of assignments, deadlines, and materials using planners or digital tools to reduce stress.
 - **Mindful Technology Use:** Being aware of when and where to use technology, such as keeping phones away during class to maintain focus and respect the learning environment.
 - **Self-Reflection:** Regularly assessing personal progress and identifying areas for improvement to foster a growth mindset.
- Post-secondary preparation: staff work with students, families and post-secondary institutions to ensure all students have clear goals, appropriate support and the necessary entrance Requirements.
- Citizenship and community: all students feel welcome and have a strong sense of school pride.

Student Behaviour Expectations

To ensure that Eastglen is a positive learning environment for everyone, all students are expected to comply with expectations set by our school Division and mandated by the *Education Act*, as well as school rules which are in place for the benefit of all members of our school community. These expectations apply to all students in the school community, including while learning and engaging with others both in-person and online.

Board Policy [HG.BP—Student Behaviour and Conduct](#), and Administrative Regulation [HG.AR—Student Behaviour and Conduct](#) outline that students are expected to behave in accordance with section 31 of the *Education Act* which states that, a student, as a partner in education, has the responsibility to:

- attend school regularly and punctually,
- be ready to learn and actively engage in and diligently pursue the student's education,
- ensure the student's conduct contributes to a welcoming, caring, respectful and safe learning, environment that respects diversity and fosters a sense of belonging,
- respect the rights of others in the school,
- refrain from, report and not tolerate bullying or bullying behaviour directed toward others in the school, whether or not it occurs within the school building, during the school day or by electronic means,
- comply with rules of the school and the policies of the Board,
- cooperate fully with everyone authorized by the Board to provide education programs and other services,
- be accountable to the student's teachers and other school staff for the student's conduct, and
- positively contribute to the student's school and community.

Furthermore, students are expected to:

- resolve conflict or seek assistance to resolve conflict in a peaceful, safe, and non-threatening manner that is conducive to learning and growth. Strategies for addressing conflict between students may include counselling, mediation, or forms of restorative practice.
- use school and personal technology (which may include artificial intelligence) appropriately and ethically, and in alignment with teacher, school, Division and provincial expectations.
- ensure that they conduct themselves with academic integrity and refrain from and report all incidents of academic misconduct including, but not limited to, cheating and plagiarizing.

Regular Attendance – It's the Law

Regular attendance is strongly linked to student academic success and a student's sense of belonging at school. The *Education Act* reminds parents and students that students are expected to attend school and be punctual every day. Students are only considered to be excused from attending school if they must be away due to:

- sickness or other unavoidable cause
- the day being recognized as a religious holiday by the religious denomination that the child belongs to
- suspension or expulsion
- an exemption from compulsory attendance granted by the Board for a defined period of time

Expectations for Student Attire

At Edmonton Public Schools, students are expected to dress in a manner that reflects a welcoming, respectful, inclusive, safe and healthy learning environment. School expectations for student attire take into account a student's right to fairness, dignity and respect, and will not discriminate against students based on race, gender, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, socio-economic status, or body type. Some examples of welcome attire are durags, turbans, hijabs and burkas.

Student safety and well-being are our highest priorities. Students are also expected to refrain from wearing, carrying, or displaying any clothing or accessories which pose a safety hazard. Students are not permitted to wear lanyards around their neck.

Student Responsibilities in Relation to Public Health

The Division's first priority is always to ensure the health and well-being of students and staff. Students are expected to abide by protocols and expectations that are established at the school, Division, or provincial level for K-12 education, in relation to public health.

These expectations will be communicated to students, parents, and staff by the school administration in a timely manner, and may be updated over the course of the school year in relation to a public health concern.

In addition to the Division expectations outlined above, students at Eastglen are expected to:

- Scootering, skateboarding, biking or using any other wheeled leisure devices may not take place on school property.
- **Cellphones must remain off and away during the following periods: 9:15–11:55 and 12:30–3:05. Use of devices in restrooms is strictly prohibited at all times.** In the event of an emergency or a required call between a parent and student, the office landlines must be used.

- Students may not visit other schools unless for a specific **authorized reason**.
- Refrain from harassment of any kind (verbal, physical, via social media).
- Students with spares, who remain on campus, must report to designated areas including the library, Kiaynaw, with one of the counselors/mental health therapists.
- Students who have a scheduled class(es), but repeatedly choose not to attend and are found to be in the building can be placed on an attendance contract, be withdrawn from the course(s), or be recommended for alternative learning options which do not require in person attendance.
- Participation in functions such as graduation, playing on athletic teams and other extracurricular functions have attendance criteria which must be met for participation.
- Carrying school ID is essential for security, accessing school resources and for ID during exam rooms. Students are expected to complete all exams on their scheduled dates and to adhere to Eastglen Exam Writing Policy. (Note: final exams are required exams which may not be written early.)

Responsible and Ethical Use of Technology

Our Division is committed to assisting students to become ethical, informed digital citizens. We strive to ensure that appropriate and responsible technology use supports high quality teaching and learning, while also ensuring a respectful, inclusive, and safe learning and working environment.

Technology refers to any hardware, applications (which may include artificial intelligence), networking and communications equipment used in the Division, including those that are personally owned. Division technology is intended for educational purposes and cannot be used for purposes that are illegal, unethical, disrespectful, hateful, inappropriate, or that cause harm.

2024-2025 Update - Student Use of Personal Mobile Devices and Social Media

To maximize student engagement in learning, support student mental health, reduce opportunities for cyberbullying, and mitigate the negative impacts of excessive exposure to social media, the Government of Alberta has established standards restricting student use of personal mobile devices and access to social media.

At a minimum:

- Students will be required to have devices powered off and stored out of sight during instructional time.
- Students will not be able to access social media platforms on Division networks and devices.

Personal mobile devices include smartphones, cellphones, smart watches, tablets and laptops. Students are expected to respect and abide by classroom, school, Division and provincial expectations for the use of personal mobile devices and social media.

[Read more](#) about the province's standards.

In support of the newly established standards, EPSB filters social media sites so students are not able to access them using the school's network. If a student chooses to access social media sites using their own cellular data, families need to be aware that additional data charges may incur. The social media sites that are currently restricted for student access include, but are not limited to; Facebook, Instagram, Tik Tok, SnapChat, X (Twitter), Be Real, Discord, Threads, WeChat, and Pinterest.

A school authority is required to allow for the following limited use exceptions:

- Limited use of personal mobile devices must be permitted, as determined by a principal or equivalent, for health or medical reasons or to support special learning needs;
 - In Edmonton Public Schools these requests would be supported by a student's medical management plan (MMP) or a student's Individual Program Plan (IPP);
- Limited use of personal mobile devices may be permitted for educational or other purposes, as determined by a principal or equivalent;
- Limited access to social media may be permitted, as determined by a principal or equivalent.

To access any of these exemptions, parents must first speak to school administration for potential authorized access.

Pursuant to the *Education Act*, students are accountable for their behaviour when using technology, including when a student's online behaviour outside of the school building or beyond the school day impacts others in the school community. A range of

responses as outlined in [HG.BP – Student Behaviour and Conduct](#) and [HG.AR – Student Behaviour and Conduct](#), including loss of technology privileges, may be put in place to address unacceptable use of technology.

As digital citizens, students have the following responsibilities:

- **Demonstrate respect and integrity**
 - understand that expectations for conduct and academic integrity while online, including when using personal devices and outside of school hours, are consistent with school and Division expectations (for example, students should only join online classes in which they are enrolled)
 - use good judgment and participate appropriately in online environments such as meetings, chats, and other applications, and when posting or sharing digital content
 - communicate in a manner that is appropriate, respectful and inclusive at all times

- **Be safe and secure**
 - protect passwords and personal information of self and others including photos, name, age, address and other contact information
 - students must ensure they log in only to their assigned EPSB account, and log off devices and meetings when finished
 - obtain permission before downloading files, including games, music, and movies
 - report, and refrain from searching, viewing, downloading, or sharing, any illegal or inappropriate content
 - do not record or share any audio or video of in-person or online classrooms or other learning activities
 - obtain consent before photographing, recording, or sharing a photo or recording of another person

- **Respect and protect property**
 - demonstrate proper care and security of personal and Division technology
 - students are responsible for the care and security of personal mobile devices brought to school.
 - should school staff take possession of a student's personal device, staff will ensure that student devices in staff's possession are stored securely.
 - the Division will not be responsible for any issues related to the safety, security, loss, repair, or replacement of students' personal devices, even if these devices are confiscated as part of disciplinary actions. This means that if a device is lost, damaged, or stolen while in the school's possession, the school will not cover any related costs or damages.

In addition to the Division and provincial expectations outlined above, students at Eastglen are expected to:

- Cellphones must remain off and away during the following periods: **9:15–11:55** and **12:30–3:05**. Use of devices in restrooms is strictly prohibited at all times. **This also applies to students with a spare.**
- **Student devices must be stored in a locker or backpack throughout the school day; they are not permitted on desks or in any visible manner.** Ringers must be turned off, and parents are asked to refrain from texting or calling their children directly during school hours. In the event of an emergency or a necessary message, please contact the main switchboard at **780-479-1991**, and we will facilitate the connection.
- Parents are encouraged to actively monitor their child's online footprint, including text messages, social media accounts, and emails. Students encountering interpersonal issues on these platforms should block the individual immediately rather than engaging in online disputes.

- AHS online resource for parents- <https://www.albertahealthservices.ca/info/Page17564.aspx>

Unacceptable Behaviour

Any behaviour, whether or not it occurs on school property, or within the school day, which disrupts the educational atmosphere of the school or which interferes with the rights of others to learn, to be respected or to feel safe is unacceptable.

As outlined in Board Policy [HG.BP—Student Behaviour and Conduct](#), and Administrative Regulation [HG.AR—Student Behaviour and Conduct](#) and supported by the *Education Act*, unacceptable behaviour includes, but is not limited to:

- behaviours that interfere with the learning of others and/or the school environment
- behaviours that create unsafe conditions
- acts of bullying, harassment, threats, or intimidations whether it be in person, indirectly, or by electronic means
- physical violence
- retribution against any person who has intervened to prevent or report bullying or any other incident or safety concern
- possession, use, or distribution of substances restricted by federal, provincial, municipal, Division or school authorities
- any illegal activity such as:
 - possession, use, or distribution of illegal substances
 - possession of a weapon or use of a weapon (or replica) to threaten, intimidate or harm others
 - possession, use, display, or distribution of offensive messages, videos or images
 - theft or possession of stolen property
- any breach of rules and expectations established by government orders, Division administrative regulations or school-based code of conduct
- failure to comply with *Education Act*, section 31 regarding student responsibilities

Bullying and Conflict

Bullying is defined in the *Education Act* as repeated and hostile or demeaning behaviour by an individual in the school community where the behaviour is intended to cause harm, fear or distress to one or more other individuals in the school community, including psychological harm or harm to an individual's reputation. Bullying also includes the distribution of an intimate image of another person knowing that the person depicted in the image did not consent to the distribution, or being reckless as to whether or not that person consented to the distribution.

Bullying can take different forms:

- physical (e.g., pushing, hitting)
- verbal (e.g., name-calling, threats)
- social (e.g., exclusion, rumours)
- electronic (e.g., using technology to harass or threaten)

Conflict occurs when there is a breakdown in relationships between individuals that results from a disagreement or misunderstanding. While conflicts may require adult intervention, they are considered to be a natural part of how students learn to navigate relationships.

All students are expected to refrain from, report and not tolerate bullying or bullying behaviour directed toward others in the school, whether or not it occurs within the school building, during the school day or by electronic means. Students are also expected to resolve conflict or seek assistance to resolve conflict in a peaceful, safe, and non-threatening manner that is conducive to learning and growth. School staff can help address conflict between students using strategies that may include counselling, mediation, consequences and/or forms of restorative practice.

School Responses to Unacceptable Behaviour

Our Division acknowledges the importance of responsive discipline which involves a continuum of interventions that aim to build a sense of community in schools, facilitate healthy relationships, support behavioural changes, repair harm, and hold students accountable.

Edmonton Public Schools' Board Policy [HG.BP—Student Behaviour and Conduct](#), and Administrative Regulation [HG.AR—Student Behaviour and Conduct](#) outline the following:

Unacceptable behaviour may be grounds for disciplinary action which provides the student with an opportunity for critical learning and reflection in the areas of personal accountability and responsibility, the development of empathy, as well as communication, conflict resolution, and social skills development.

The specific circumstances of the situation and of the student are taken into account when determining appropriate responses to unacceptable behaviour.

When a student engages in unacceptable behaviour, consequences and responses may include, but are not limited to:

- temporary assignment of a student to an alternate supervised area within the school
- temporary assignment of a student to an alternate learning location
- short term removal of privileges including access to technology
- interventions such as positive behaviour supports, contracts, counselling, restorative practices
- replacement or reimbursement for loss of, or damage to property
- in-school or out-of-school suspension
- referral to Attendance Board
- recommendation for expulsion

At Eastglen, we are committed to ensuring that our school is a safe and productive learning environment. Where necessary, interventions or disciplinary action may be used to address unacceptable behaviour by students.

Cellphone Policy

- **Off and Away:** Phones must be stored and powered off from **9:15–11:55** and **12:30–3:05**.
- **Restrooms:** Device use is strictly prohibited at all times.
- **Communication:** All urgent parent-student contact must be conducted via **office landlines**.

Academic Integrity

- Teachers are meant to be your partners in learning. When you ask them to provide feedback on material that you didn't create, you are unable to learn from that feedback.
- Academic Integrity requires that students participate authentically even when faced with pressure and rigor, such that they can learn and grow and develop their understanding.
- Students suspected of academic dishonesty will be referred to their grade coordinator to discuss whether this course is the right fit for them.
- Should Academic Integrity become an issue and call into question the veracity of a student's other assessments,

their course grade may be delayed while we investigate the situation. This investigation may result in the student needing to redo assessments, being awarded a zero, or being removed from the class at that time.

Attendance Information and Updates:

You can access daily summaries of student attendance on SchoolZone, or by contacting the school via phone or email. Students are accountable for any course material missed during their absence, regardless of the reason.

Why is Regular Attendance Important?

Consistent attendance is a key factor in student success and learning. The responsibility for maintaining regular attendance lies with both students and parents. All absences and instances of tardiness will be documented by the teacher.

Completion of Assignments:

Students are expected to submit all assignments on time and take examinations as scheduled.

Vacation and Final Exam Policy

Leaving early for family vacations or extending holidays is strongly discouraged, and students absent for more than one week may be withdrawn from Eastglen. Please consult the official division calendar before booking travel, as the school does not provide online materials or work booklets to support student vacations. Furthermore, students who depart before final exams forfeit the opportunity to write them; in such cases, final grades will reflect only the work completed prior to the absence, supplemented by the teacher's professional judgment. Note that Diploma Exams are governed by Alberta Education and cannot be rescheduled or written outside of their strictly mandated dates.

Edmonton Public Schools is helping to shape the future in every one of our classrooms. We're focused on ensuring each student learns to their full potential and develops the ability, passion and imagination to pursue their dreams and contribute to their community.

[epsb.ca](https://www.epsb.ca)
