Our Commitment to High Quality Learning Environments

At Edmonton Public Schools, we are deeply committed to the success and well-being of our students. Each student deserves a welcoming, inclusive, safe and healthy learning environment that supports their learning, respects diversity, and nurtures a sense of belonging.

As a Division, we have established clear behaviour expectations for all students, from Kindergarten to Grade 12. The expectations are outlined in the Board's Student Behaviour and Conduct Policy which was developed in consultation with students, parents, staff and community members. The policy outlines the rights and responsibilities of students and our expectations for student conduct, and the potential responses when students demonstrate unacceptable behaviour.

The role of parents and families in their child's education plays a vital role in promoting positive student behaviour. Partnerships with families continue to make a difference for our students and staff. By working together, we will ensure our students learn the importance of good character and conduct, and our schools will remain safe and secure places to learn and thrive.

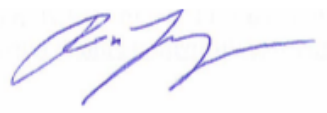
Julie Kusiek
Board Chair

Student Success and Safety—Our Highest Priorities

It is our shared responsibility to ensure that each student can learn and realize their potential within a safe and caring learning environment. In addition to teaching the necessary learning outcomes, our schools are places where students can develop the character and skills needed to become responsible, respectful, compassionate and successful citizens.

School staff use the *Education Act*, S.A. 2012, c.E-03, Board Policy HG.BP—Student Behaviour and Conduct and Administrative Regulation HG.AR – Student Behaviour and Conduct as the basis for creating this **Student Rights and Responsibilities** document. This document is designed to communicate expectations, and balances the overarching rights and responsibilities that are communicated in our policy with the unique context of each school. The expectations and processes outlined in this document are implemented by principals in collaboration with school staff, parents and local communities.

Ensuring each student can thrive in a safe, productive and welcoming learning environment is essential to our work in improving student achievement and high school completion rates. By working together to promote positive attitudes and responsible, respectful behaviour in our schools, we believe students will receive the greatest benefit during their educational journey.



Ron Thompson
Superintendent of Schools

Supporting Student Success

Members of the Edmonton Public Schools community, including students, parents, staff and trustees, have a shared responsibility to help students be successful in school. Safety and well-being is fundamental to our students thriving as learners, and experiencing success and fulfillment both at school and in their lives. This Student Rights and Responsibilities document has been created to communicate clear expectations for how our students are expected to behave in order to ensure they become the best students and citizens they can be.

Parents support their child's success and positive behaviour by:

- taking an active role in their child's personal and academic success
- reviewing expectations outlined in this document with their child and helping them develop the skills required to meet expectations set out by the school, the Division, and the Province.
- helping them to attend school regularly and punctually
- encouraging and modeling collaborative, positive and respectful relationships with others in the school community
- contributing to a welcoming, caring, respectful, and safe learning environment
- reporting to the school any circumstances which may impact student safety
- talking with their child(ren) about the potential risks and benefits of technology, responsible internet and social media use (including online profiles, group chats, and chats on gaming consoles), and the importance of respecting privacy and protecting personal information in age-appropriate ways.

Students are responsible for their behaviour and effort, and are expected to:

- contribute to a welcoming, caring, inclusive, respectful and safe learning environment that commits to anti-racism and equity
- learn, practice and demonstrate positive personal and interpersonal skills and attributes
- use their abilities and talents to gain maximum learning benefit from their school experience
- attend school regularly and punctually
- be accountable for behaviour which impacts others in the school, whether or not the behaviour occurs within the school building or during the school day or by electronic means

School staff will help your child succeed by:

- providing a welcoming, caring, respectful, inclusive and safe learning environment that respects diversity, commits to anti-racism and equity, and fosters a sense of belonging
- ensuring that students and parents understand the school's expectations for student behaviour
- establishing supports and processes at the school to proactively guide positive student behaviour
- helping students develop and practice the skills and attributes to meet these expectations
- working with students, parents and other school staff to address behaviour concerns, including implementing appropriate responses to address inappropriate student behaviour

To support a shared understanding of the language and intent of this document, refer to the glossary for a definition of terms.

Our Belief and Commitment

At Westbrook School we believe:

- Respect, Responsibility and School Community are the pillars of our positive learning environment.
- Our goal at Westbrook School is to provide all students with the opportunity to become responsible and self-disciplined. Teaching students strategies to deal with various situations and helping them learn how to problem solve is a key emphasis in our school culture. We care about each other, our school and our work.
- It's important to support our positive learning environment by using a democratic group process whereby learners feel included, respected, safe and valued. The outcome is to develop a positive environment that promotes growth and learning.
- Diversity is our strength, and we recognize and embrace our shared responsibility to create a caring, inclusive community that does not tolerate racism or discrimination

We use the four agreements listed below as a foundation for working with our students, our families, and our community. All actions and choices can be connected to the Four Agreements:

- Mutual Respect
- Attentive Listening
- Appreciations/No Put Downs
- The Right to Pass /The Right to Participate

Westbrook Positive School Behaviour Plan

Our Positive School Behaviour Plan was created with input and feedback from staff, students and parents.

	Respect	Responsibility	Community
Classrooms	• Listen attentively • Ask before borrowing • Keep personal space • Use kind words • Follow instructions • Take care of learning tools • Voice level that matches activity • Listen to all supervisors	• Be safe • Participate • Work hard • Be organized • Be on time • Fix and learn from your mistakes	• Share • Take turns • Be an up-stander • Encourage • Help others • Clean up
Playground	• Take turns on the equipment • Use your *WITS • Listen to all supervisors	• Follow the schedule • Make safe choices • Keep shoes on • Throw away garbage • Sign out and bring back equipment	• Include others • Help others • Be kind • Look out for each other
Hallways/ Bootroom	• Keep personal space • Wait for your turn • Quiet voices • Listen to all supervisors	• Shoes on rack • Walking • Closed outside doors • Hands to yourself	• Help others • Be kind • Look out for each other
Learning Commons	• Quiet voices • Use shelf markers • Eat and drink <u>outside</u> of the library • Listen to all supervisors	• Push-in chairs • Put back furniture • Put back books • Return and plug in technology	• Help others • Be kind
Gym	• Keep personal space • Quiet voices • Listen attentively • Listen to all supervisors	• Be safe • Participate • Use equipment properly	• Share • Take turns • Encourage • Help others
Bathrooms	• Quiet voices • Clean up your mess • Respect privacy • Listen to all supervisors	• Flush • Wash hands • Use it properly	• Report issues
***WITS = Walk away, Ignore, Talk it out, Seek adult help**			

Rights and Responsibilities

Our Division recognizes the following fundamental rights and responsibilities:

All students have the right to be treated with dignity, respect and fairness by other staff and students.

Students, parents, staff and trustees have a shared responsibility to create and support welcoming, caring, respectful, inclusive and safe learning environments.

All members of our school community are expected to respect diversity and not engage in any form of bullying, harassment, threats, intimidation or discrimination on the basis of race, religious beliefs, colour, gender, gender identity, gender expression, physical disability, mental disability, ancestry, place of origin, marital status, source of income, family status or sexual orientation.

Students and parents have a right to be informed about Division and school expectations for student behaviour. To support this right, all schools' Student Rights and Responsibilities documents will be posted on SchoolZone and on school websites.

Anti-Racism and Equity
All members of the Edmonton Public Schools community:

- have the right to learn and work in an environment that:
  - is free of discrimination, prejudice, and racism
  - recognizes diversity as a strength
  - supports each individual to be included and feel represented in their greater school community, and
- have the responsibility to:
  - demonstrate respect for diverse cultural perspectives, traditions, languages, beliefs and values
  - learn and work together as a part of the broader school community to end racism and discrimination
  - report, not participate in, and not tolerate acts of racism or discrimination.

These rights and responsibilities are communicated in the *Alberta Human Rights Act* and the *Education Act* and are reinforced in Division policies and regulations which are publicly available and include AE.BP—Welcoming, Inclusive, Safe and Healthy Learning and Working Environments, HG.BP—Student Behaviour and Conduct, HG.AR—Student Behaviour and Conduct, HFA.AR—Sexual Orientation and Gender Identity and HAAB.BP – Anti-Racism and Equity.

Student Behaviour Expectations

To ensure that Westbrook School is a positive learning environment for everyone, all students are expected to comply with expectations set by our school Division and mandated by the *Education Act*, as well as school rules which are in place for the benefit of all members of our school community. These expectations apply to all students in the school community, including while learning and engaging with others both in-person and online.

Board Policy HG.BP—Student Behaviour and Conduct, and Administrative Regulation HG.AR—Student Behaviour and Conduct outline that students are expected to behave in accordance with section 31 of the *Education Act* which states that, a student, as a partner in education, has the responsibility to:

- attend school regularly and punctually,
- be ready to learn and actively engage in and diligently pursue the student's education,
- ensure the student's conduct contributes to a welcoming, caring, respectful and safe learning, environment that respects diversity and fosters a sense of belonging,
- respect the rights of others in the school,
- refrain from, report and not tolerate bullying or bullying behaviour directed toward others in the school, whether or not it occurs within the school building, during the school day or by electronic means,
- comply with rules of the school and the policies of the Board,
- cooperate fully with everyone authorized by the Board to provide education programs and other services,
- be accountable to the student's teachers and other school staff for the student's conduct, and
- positively contribute to the student's school and community.

Furthermore, students are expected to:

- resolve conflict or seek assistance to resolve conflict in a peaceful, safe, and non-threatening manner that is conducive to learning and growth. Strategies for addressing conflict between students may include counselling, mediation, or forms of restorative practice.
- use school and personal technology (which may include artificial intelligence) appropriately and ethically, and in alignment with teacher, school, Division and provincial expectations.
- ensure that they conduct themselves with academic integrity and refrain from and report all incidents of academic misconduct including, but not limited to, cheating and plagiarizing.

Regular Attendance – It's the Law
Regular attendance is strongly linked to student academic success and a student's sense of belonging at school. The *Education Act* reminds parents and students that students are expected to attend school and be punctual every day. Students are only considered to be excused from attending school if they must be away due to:

- sickness or other unavoidable cause
- the day being recognized as a religious holiday by the religious denomination that the child belongs to
- suspension or expulsion
- an exemption from compulsory attendance granted by the Board for a defined period of time

Expectations for Student Attire

At Edmonton Public Schools, students are expected to dress in a manner that reflects a welcoming, respectful, inclusive, safe and healthy learning environment. School expectations for student attire take into account a student's right to fairness, dignity and respect, and will not discriminate against students based on race, gender, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, socio-economic status, or body type. Some examples of welcome attire are durags, turbans, hijabs and burkas.

Student safety and well-being are our highest priorities. Students are also expected to refrain from wearing, carrying, or displaying any clothing or accessories which pose a safety hazard. Students are not permitted to wear lanyards around their neck.

Student Responsibilities in Relation to Public Health

The Division's first priority is always to ensure the health and well-being of students and staff. Students are expected to abide by protocols and expectations that are established at the school, Division, or provincial level for K-12 education, in relation to public health.

These expectations will be communicated to students, parents, and staff by the school administration in a timely manner, and may be updated over the course of the school year in relation to a public health concern.

Responsible and Ethical Use of Technology

Our Division is committed to assisting students to become ethical, informed digital citizens. We strive to ensure that appropriate and responsible technology use supports high quality teaching and learning, while also ensuring a respectful, inclusive, and safe learning and working environment.

Technology refers to any hardware, applications (which may include artificial intelligence), networking and communications equipment used in the Division, including those that are personally owned. Division technology is intended for educational purposes and cannot be used for purposes that are illegal, unethical, disrespectful, hateful, inappropriate, or that cause harm.

2024-2025 Update - Student Use of Personal Mobile Devices and Social Media

To maximize student engagement in learning, support student mental health, reduce opportunities for cyberbullying, and mitigate the negative impacts of excessive exposure to social media, the Government of Alberta has established standards restricting student use of personal mobile devices and access to social media.

At a minimum:

- Students will be required to have devices powered off and stored out of sight during instructional time.
- Students will not be able to access social media platforms on Division networks and devices.

Personal mobile devices include smartphones, cellphones, smart watches, tablets and laptops. Students are expected to respect and abide by classroom, school, Division and provincial expectations for the use of personal mobile devices and social media.

Read more about the province's standards.

In support of the newly established standards, EPSB filters social media sites so students are not able to access them using the school's network. If a student chooses to access social media sites using their own cellular data, families need to be aware that additional data charges may incur. The social media sites that are currently restricted for student access include, but are not limited to; Facebook, Instagram, Tik Tok, SnapChat, X (Twitter), Be Real, Discord, Threads, WeChat, and Pinterest.

A school authority is required to allow for the following limited use exceptions:

- Limited use of personal mobile devices must be permitted, as determined by a principal or equivalent, for health or medical reasons or to support special learning needs;
    - In Edmonton Public Schools these requests would be supported by a student's medical management plan (MMP) or a student's Individual Program Plan (IPP);
- Limited use of personal mobile devices may be permitted for educational or other purposes, as determined by a principal or equivalent;
- Limited access to social media may be permitted, as determined by a principal or equivalent.

To access any of these exemptions, parents must first speak to school administration for potential authorized access.

Pursuant to the *Education Act*, students are accountable for their behaviour when using technology, including when a student's online behaviour outside of the school building or beyond the school day impacts others in the school community. A range of

responses as outlined in HG.BP – Student Behaviour and Conduct and HG.AR – Student Behaviour and Conduct, including loss of technology privileges, may be put in place to address unacceptable use of technology.

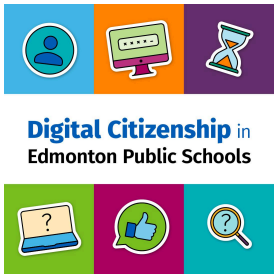
As digital citizens, students have the following responsibilities:

- **Demonstrate respect and integrity**
  - understand that expectations for conduct and academic integrity while online, including when using personal devices and outside of school hours, are consistent with school and Division expectations (for example, students should only join online classes in which they are enrolled)
  - use good judgment and participate appropriately in online environments such as meetings, chats, and other applications, and when posting or sharing digital content
  - communicate in a manner that is appropriate, respectful and inclusive at all times

- **Be safe and secure**
  - protect passwords and personal information of self and others including photos, name, age, address and other contact information
  - students must ensure they log in only to their assigned EPSB account, and log off devices and meetings when finished
  - obtain permission before downloading files, including games, music, and movies
  - report, and refrain from searching, viewing, downloading, or sharing, any illegal or inappropriate content
  - do not record or share any audio or video of in-person or online classrooms or other learning activities
  - obtain consent before photographing, recording, or sharing a photo or recording of another person

- **Respect and protect property**
  - demonstrate proper care and security of personal and Division technology
  - students are responsible for the care and security of personal mobile devices brought to school.
  - should school staff take possession of a student's personal device, staff will ensure that student devices in staff's possession are stored securely.
  - the Division will not be responsible for any issues related to the safety, security, loss, repair, or replacement of students' personal devices, even if these devices are confiscated as part of disciplinary actions. This means that if a device is lost, damaged, or stolen while in the school's possession, the school will not cover any related costs or damages.

Responsible Use of Technology Agreement at Edmonton Public Schools



Review this agreement with your teacher and your parent or guardian before using technology at school.

Technology means any computer, software (including AI tools), network or internet access on an electronic device, no matter who owns it.

Everyone is working together to make sure students use technology to learn in schools where everyone is respected, included and safe.

As a digital citizen, I will help create a positive community in the following ways:

How will I use technology?

- I will use my device when a teacher asks me to, in line with the school rules.
- I will use a strong passphrase, keep it secure and change it as needed.
- I will always log out of or lock my device when I am not using it.
- I will ask a teacher or trusted adult before signing in to a new app or website.
- I will take care of any device I am given access to.
- I will take breaks from my device when I need one, or when the teacher or trusted adult asks me to.

What will I do with technology at school?

- I will use technology time at school for learning, by selecting the right digital tool for the task.
- I will use technology to question, explore and reflect on information and its sources.
- I will give credit to the creators of information or media that is not my own.
- I will respect the Division network security measures to help keep myself and others safe.

How will I interact with other people?

- I will be honest and kind to people online.
- I will think about the person I am communicating with and think about how they might interpret my message.
- I will use language to share messages that are respectful to other.
- I will ask a trusted adult before contacting someone online that I don't already know in person.
- I will protect the personal information of myself and others.

What will I do when something goes wrong?

- I will talk to a teacher or a trusted adult who will help me figure out how to make it right.
- I will immediately stop and tell a trusted adult if anything happens with technology that does not seem right or that makes me feel uncomfortable.

Be balanced. Be informed. Be inclusive. Be alert. Be engaged!

Unacceptable Behaviour

Any behaviour, whether or not it occurs on school property, or within the school day, which disrupts the educational atmosphere of the school or which interferes with the rights of others to learn, to be respected or to feel safe is unacceptable.

As outlined in Board Policy HG.BP—Student Behaviour and Conduct, and Administrative Regulation HG.AR—Student Behaviour and Conduct and supported by the *Education Act*, unacceptable behaviour includes, but is not limited to:

- behaviours that interfere with the learning of others and/or the school environment
- behaviours that create unsafe conditions
- acts of bullying, harassment, threats, or intimidations whether it be in person, indirectly, or by electronic means
- physical violence
- retribution against any person who has intervened to prevent or report bullying or any other incident or safety concern
- possession, use, or distribution of substances restricted by federal, provincial, municipal, Division or school authorities
- any illegal activity such as:
    - possession, use, or distribution of illegal substances
    - possession of a weapon or use of a weapon (or replica) to threaten, intimidate or harm others
    - possession, use, display, or distribution of offensive messages, videos or images
    - theft or possession of stolen property
- any breach of rules and expectations established by government orders, Division administrative regulations or school-based code of conduct
- failure to comply with *Education Act*, section 31 regarding student responsibilities

Bullying and Conflict

Bullying is defined in the *Education Act* as repeated and hostile or demeaning behaviour by an individual in the school community where the behaviour is intended to cause harm, fear or distress to one or more other individuals in the school community, including psychological harm or harm to an individual's reputation. Bullying also includes the distribution of an intimate image of another person knowing that the person depicted in the image did not consent to the distribution, or being reckless as to whether or not that person consented to the distribution.

Bullying can take different forms:

- physical (e.g., pushing, hitting)
- verbal (e.g., name-calling, threats)
- social (e.g., exclusion, rumours)
- electronic (e.g., using technology to harass or threaten)

Conflict occurs when there is a breakdown in relationships between individuals that results from a disagreement or misunderstanding. While conflicts may require adult intervention, they are considered to be a natural part of how students learn to navigate relationships.

All students are expected to refrain from, report and not tolerate bullying or bullying behaviour directed toward others in the school, whether or not it occurs within the school building, during the school day or by electronic means. Students are also expected to resolve conflict or seek assistance to resolve conflict in a peaceful, safe, and non-threatening manner that is conducive to learning and growth. School staff can help address conflict between students using strategies that may include counselling, mediation, consequences and/or forms of restorative practice.

School Responses to Unacceptable Behaviour

Our Division acknowledges the importance of responsive discipline which involves a continuum of interventions that aim to build a sense of community in schools, facilitate healthy relationships, support behavioural changes, repair harm, and hold students accountable.

Edmonton Public Schools' Board Policy HG.BP—Student Behaviour and Conduct, and Administrative Regulation HG.AR—Student Behaviour and Conduct outline the following:

> Unacceptable behaviour may be grounds for disciplinary action which provides the student with an opportunity for critical learning and reflection in the areas of personal accountability and responsibility, the development of empathy, as well as communication, conflict resolution, and social skills development.
>
> The specific circumstances of the situation and of the student are taken into account when determining appropriate responses to unacceptable behaviour.
>
> When a student engages in unacceptable behaviour, consequences and responses may include, but are not limited to:

- temporary assignment of a student to an alternate supervised area within the school
- temporary assignment of a student to an alternate learning location
- short term removal of privileges including access to technology
- interventions such as positive behaviour supports, contracts, counselling, restorative practices
- replacement or reimbursement for loss of, or damage to property
- in-school or out-of-school suspension
- referral to Attendance Board
- recommendation for expulsion

At Westbrook School we are committed to ensuring that our school is a safe and productive learning environment. Where necessary, interventions or disciplinary action may be used to address unacceptable behaviour by students.

In addition to the above mentioned consequences, Westbrook School also uses:

- problem solving, monitoring or reviewing behaviour expectations with students
- helping students to reflect on their actions through the completion of a behaviour reflection document, and supporting the use of strategies such as WITS, Zones of Regulation, and others as suitable for the student and situation
- parental involvement

Edmonton Public Schools is helping to shape the future in every one of our classrooms. We're focused on ensuring each student learns to their full potential and develops the ability, passion and imagination to pursue their dreams and contribute to their community.
